

To the Several Tax Collectors of the State of Florida.

Tallahassee, Fla., April 21, 1908.

Gentlemen:
It appearing from information received at this office that there is a misunderstanding in some counties as to the payment of the capitation or poll tax, and in order that there may be no doubt on the subject, I beg to advise that said tax has been made a prerequisite to voting and must be paid at least ten days before the primary election in order that a vote may be legally cast therein. The payment of the capitation or poll tax cannot be waived or deferred by any state or county official.

Yours very truly,
A. C. CROOM, Comptroller.

Christian Science Picnic.

The Christian Science Sunday school children enjoyed a delightful day at Lake Hall last Saturday. Although the weather at first seemed unpropitious it cleared later in the day and everybody had a fine time.

The children were accompanied by two of the teachers, Miss Anna Chaires and Miss Clara Lewis, and several ladies of the congregation. They were joined in the afternoon by Mrs. Gittings and Miss Mahan, of Chicago, who pleasantly surprised the children by carrying out with them several pounds of delicious homemade candy to be enjoyed on the homeward drive.

Rev. Dr. Barnard, the evangelist who is conducting a series of religious services at the Baptist church, addressed the children of the congregation Sunday afternoon.

The St. Agnes Guild Easter-egg hunt, given on the old "Sheppard lot" Monday afternoon, was a great success. A large crowd of children were present who enjoyed hunting the eggs and eating the delicious ice cream and cake served by the ladies. Unfortunately, a heavy shower came up during the afternoon, but Mrs. R. C. Long hospitably opened her doors to the ladies and children, and nobody was any the worse for the rain.

Mrs. and Miss Whitner, of Chattanooga, are in the city stopping at Mrs. A. L. Bond's pleasant and popular house.

A Baby Show in Tallahassee

would have many contestants; but it's safe to say that the healthiest baby would win the prize. No baby can be healthy who suffers from worms and most babies do unless they are kept free from them with White's Cream Vermifuge. Acts quickly, yet mildly—is its own purgative. Mothers do not attempt to raise children without White's Cream Vermifuge. Price 25 cents. Hardee-Smith Co.
